## Letter of Conformance

Dear Sirs:

We performed the certification audit to the Quality Management System of your organization, assessed the corrective actions proposed, and verified the closure of the non-conformities of the certification audit based on IAT Rules 6<sup>th</sup> requirements. We are pleased to inform you that the Quality Management System of your company complies with the requirements of the Standard: IATF 16949:2016, with the following scope:

**Scope in English:** Design and Manufacturing of Power Resistors

Unfortunately, we cannot issue a certificate now, due to the fact that there is less than 12 months of production. TÜV Rheinland will continue with the certification process – according to the rules for achieving IATF recognition – when your organization reaches twelve months of production operation, or when you are able to demonstrate that after 12 months you are still in an active bidding process for a customer requiring IATF 16949:2016 certification.

This Letter of Conformance is valid for twelve months:

Issue date: **06.03.2026**

Expiry date: **05.03.2027**
